The Legend of the DOGWOOD

There is a legend, that at the time of the Crucifixion the dogwood had been the size of the oak and other forest trees. So firm and strong was the tree that it was chosen as the timber for the cross. To be used thus for such a cruel purpose greatly distressed the tree, and Jesus, nailed upon it, sensed this, and in His gentle pity for all sorrow and suffering said to it:

"Because of your regret and pity for My suffering, never again shall the dogwood tree grow large enough to be used as a cross. Henceforth it shall be slender and bent and twisted and its blossoms shall be in the form of a cross . . . two long and two short petals. And in the center of the outer edge of each petal there will be nail prints, brown with rust and stained with red, and in the center of the flower will be a crown of thorns, and all who see it will remember . . . that it was upon a dogwood tree I was crucified and this tree shall not be mutilated or destroyed, but cherished as a reminder of My death upon the cross."

See planting instructions of DOGWOOD on
inside of back cover.

To The Wholesale Trade

Again, we will have a wide selection of liners and finished stock for Fall and Spring Delivery.

It is our desire to serve you well and to make each sale merit your confidence. Your good will and continued patronage is deeply appreciated.

We extend to you a cordial invitation to visit us and see our operations.

Sincerely yours,

Tennessee Valley Nursery

Terms and Conditions of Sale

This list cancels all previous quotations

PRICES—All prices are f.o.b. Winchester, Tennessee. **Boxing or Baling** are extra, at cost, on less than carload and truck load shipments. No charge for packing car or truck loads. Prices are subject to change without notice.

TERMS—To those of **established credit**, we offer **2% discount 10 days, 30 days net from date of invoice**. Cash, security or satisfactory references are required from unknown parties. Where cash accompanies order, packing is free. **C. O. D. Orders** must be accompanied by at least 25% of purchase price. 6% interest charged on past due accounts.

CLAIMS—All claims must be made within ten days after receipt of stock.

SHIPPING INSTRUCTIONS—Please give shipping instructions whether via parcel post, freight, express or truck, and routing. If no instructions are given, we will ship to the best of our judgment without assuming responsibility.

PARCEL POST ORDERS—Must include sufficient funds to cover postage. Any balance will be refunded.

SAMPLES—Are shipped at the 10 rate. We do not ship B&B stock crated or boxed by common carrier.

OUR STOCK—Is graded according to the horticultural standards adopted by the American Association of Nurserymen.

SEASON—Normally our digging and shipping season extends from October 1 to April 15. Shipment of Bare Rooted stock recommended from November 1 to March 15.

GUARANTEE—We accept all orders subject to crop conditions and we reserve the right to cancel a portion of the stock, or all thereof, should injury befall our stock from hail, windstorm, frost, other weather conditions, error in count, insect and disease injury, or other natural causes beyond our control. We are careful to keep our varieties true to name and will replace any portion of the stock that may prove otherwise, or refund the price paid for such portions. It is agreed that the original price shall be the maximum damages the purchaser is entitled to.

TRANSPORTATION RISKS—Our stock is packed with the greatest of care; therefore, **our responsibility ends upon delivery in good order to carrier**. All stock travels at the purchaser's risk and expense.

TRUCK DELIVERY—Available in full loads. Some are insulated. Average charge is 40-45 cents per mile one way.

15-18" B&B	1.35	1.25
18-24" B&B	2.00	1.75

**ILEX cornuta 'Burfordi' Burford's
Chinese Holly**

Dark green, thick, glossy leaves with one spine at tip. Showy red berries. Self fertile.

15-18" B&B	1.35	1.25
18-24" B&B	2.00	1.75
24-30" B&B	2.50	2.25
30-36" B&B	3.25	3.00

cornuta 'Pernyi' Ilex Cornuta x Pernyi

Heavily foliaged with prickly evergreen leaves.

15-18" B&B	1.65	1.50
18-24" B&B	2.25	2.00
24-30" B&B	2.75	2.50

**crenata 'Convexa' (Bullata) Convex
Japanese Holly**

Small, dark green, glossy leaves with black berries. One of the best of the low growing Hollies. Prefers some shade.

12-15" B&B	1.35	1.25
15-18" B&B	1.75	1.50
18-24" B&B	2.50	2.25
24-30" B&B	3.00	—

crenata 'Hetzl' Hetz's Jap. Holly

An improved Convexa. Has convex leaves like Convexa, but larger. Vigorous grower.

15-18" B&B	1.65	1.50
18-24" B&B	2.25	2.00

**crenata 'Repandens' Spreading
Crenata**

A new spreading crenata that has popular appeal in landscaping, due to its habit of growth.

12-15" B&B	1.65	1.50
15-18" B&B	1.85	1.75
18-24" B&B	2.50	2.25

Pa., Mar. 21, 1961: "Just received our shipment of 'Cherokee' Dogwood, in excellent condition."

BROADLEAF EVERGREENS—Continued

ILEX crenata 'Rotundifolia' **Round-leaf Japanese Holly**

One of the hardiest and most popular of the crenata species. A slow, compact grower, with glossy, dark green leaves.

	Each Per 10	Each Per 100
15-18" B&B	\$1.50	\$1.25
18-24" B&B	1.75	1.50
24-30" B&B	2.50	2.25
30-36" B&B	3.00	—

'Foster No. 2' **Ilex Opaca x Cassine**

One of the best new Hollies. Narrow, dark green leaves, slightly serrated. Masses of red berries. Rapid grower. Very hardy.

24-30" B&B	2.25	2.00
30-36" B&B	2.75	2.50
3- 4' B&B	3.25	3.00
4- 5' B&B	4.25	4.00

opaca femina **American Holly**

Our native Holly. Green the year round. Large green, lustrous, spiny leaves. Produces an abundance of red berries, which adds to its Winter beauty.

2- 3' B&B	3.00	—
3- 4' B&B	4.00	—
4- 5' B&B	5.00	—

opaca male **American Holly**

Male Hollies do not produce berries, but are essential for pollinating female Hollies.

18-24" B&B	2.00	—
24-30" B&B	3.00	—

vomitorea femina **Yaupon Holly**

Small, deep olive-green foliage with red berries in great profusion.

3- 4' B&B	3.75	—
4- 5' B&B	4.50	—

LIGUSTRUM lucidum 'Macrophyllum' — Wax Leafed Privet

Hardest of the wax leafed privets. Withstands winters as far north as Washington, D. C.

18-24" B&B	1.35	1.25
2- 3' B&B	1.75	1.50

Okl., July 20, 1961: "We have bought some dogwoods and other plants from you the past two Seasons, and want to thank you for the nice plants you sent us. Also your way of grading is wonderful, no little runts all uniform."

BROADLEAF EVERGREENS—Continued

MAGNOLIA grandiflora **Southern Magnolia**

The most popular evergreen tree of the South. Big, glossy green leaves and large, creamy white fragrant blossoms.

	Each Per 10	Each Per 100
2- 3' B&B	\$ 2.25	\$ 2.00
3- 4' B&B	3.25	3.00
4- 5' B&B	4.25	4.00
5- 6' B&B	5.25	5.00
6- 8' B&B	7.50	—
8-10' B&B	15.00	—

glauca (virginiana) **Sweetbay M.**

Shrub or tree, semi-evergreen in the South. Oblong leaves three inches across. White fragrant flowers.

3- 4' B&B	3.25	—
4- 5' B&B	4.25	—
5- 6' B&B	5.25	—

MAHONIA pinnata (fascicularis) Cluster M.

Much more attractive than Mahonia aquifolium. Foliage is similar except for a bright blue cast on mature leaves and bright red new growth throughout the Summer. Will grow in full sun, keeping foliage to the ground. Makes a compact shrub about 4 feet high.

	Each Per 10	Each Per 100
15-18" B&B	\$2.75	\$2.50
18-24" B&B	3.25	3.00
24-30" B&B	4.25	4.00

NANDINA domestica **Nandina**

Semi-evergreen shrub. Leaves turn crimson in Fall, which is a beautiful background for the clusters of red berries.

	Each Per 10	Each Per 100
15-18" B&B	\$1.35	\$1.25
18-24" B&B	1.65	1.50

4- 5' Branched		1.10	1.00
5- 6' Branched		1.35	1.25

MALUS Flowering Crab Apple

Varieties:

'Atrosanguinea' Carmine Crab

Carmine buds and flowers, fading to dull pink. Dark glossy green foliage. An excellent variety.

'Dolga' Dolga Crab

A dual purpose crab, large white flowers, crimson fruit one and one half inches in diameter, makes good Jelly.

'Eleyi' Eley Crab

The best of the purple or red leaf Crabs. Purplish red flowers and fruit. Alternate bloomer.

floribunda Japanese Flowering Crab

Flowers open pink and gradually fade white. Still one of the best and most popular of all the Crabapples.

'Hopa' Red Flowering Crab

Upright grower. Carmine buds and flowers, fading to dull pink. Bright red fruit. Blooms at an early age.

'Scheideckeri' Scheidecker Crab

Semi-double pink flowers gradually fading to white. Waxy yellow fruit. Upright grower.

DOGWOOD

Planting Instructions

Do Not Bury! Plant Shallow.

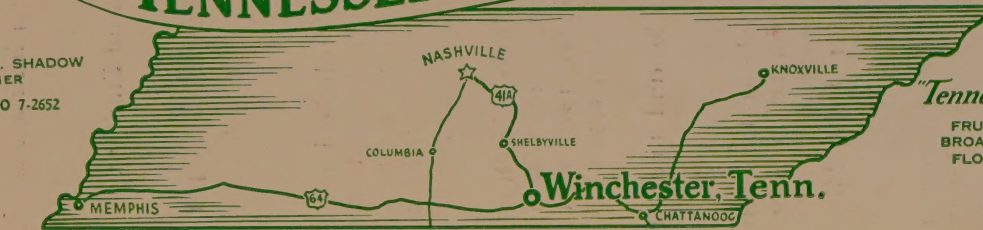

Never plant a dogwood deeper than it stood in the nursery row.

1. If barerooted, dig hole large enough to accommodate roots without crowding and deep enough to set tree same depth it grew in nursery row. Bruised or broken roots, or stems, should be cut off clean.
2. Fill hole half full of good rich soil, using no fertilizer. Spread the roots and cover with loose top soil, working soil well underneath to prevent leaving air spaces.
3. Finish filling hole and tamp soil firmly. Water well.
4. If B&B, dig a hole a foot larger and 6 inches deeper than ball of earth. Set tree same depth it grew in the nursery row, using top soil for back fill. Tamp soil firmly. Water well.
5. Mulch with 2 inches of barnyard manure, peat moss, leafmold or well rotted sawdust.
6. Wrap trunk with paper or burlap from ground to lower limbs to prevent sun scald.
7. Water thoroughly once a week. Do Not sprinkle—SOAK!
